Subject: Price Quotation for Attendance Management Device (Encardi)

Dear Sir,
Greeting From Bio-Access Tech Co. ! Let us introduce ourselves and then lead you to the proposed solution and pricing.

We incepted in year 2005 as a pioneer biometric solution provider in Bangladesh. Over the period of times, the company diversified in vertical and horizontal line such as Payroll Management Solution, Customized Attendance Management Solution, Video Surveillance, Intrusion, Home Automation etc. We are serving these solutions over 300+ corporate customers which includes 13+ banks, leading manufacturers in apparel industries, pharmaceuticals, medical colleges, schools, hospitality industries and in real estates. We are representing world renowned brand like Suprema, ZKTeco, Nitgen, Hisharp, Axxonsoft, IRIS ID, Futronic, etc. The resources of our CS Centre (Customer Service Centre) not only include experienced hardware team but also software development and API/SDK integration personnel.

By the grace of Allah we performed work that value more than 4 core in Dutch Bangla Bank; more than 800+ terminals in in Ha-Meem group, 500+ terminals in Standard group, 1000+ cameras in Bengal group, IP PA system for more 300,000 sft areas and axxon's mind-blowing video analytics in a pharmaceutical factory. We are way to put our step InshaAllah in Home automation with LOXONE putting Alexa and Google assistance far behind in terms of scalability, design and programming.

Our core value, "we deal with honesty and treat everyone with respect" will touch your heart and give you more credibility on us. Please provide us the scope to fulfil your heart with desired value for money that we create through our product, workmanship and service.

Sincerely yours
Thanking you with best regards
Kazi Sayeed

Specification

|	
CPU	1GHz Single Core (Cortex-A9)
Memory	256MB RAM + 8GB NAND Flash
Authentication Type	Card + Password + Mobile Key
Card Capacity	200,000
Log Capacity	1,000,000 / 20,000 image logs 12,500 user pictures
LCD	4 Inch Touch Screen
Supported Card	High frequency card (13.56 MHz) Low frequency card (125 kHz) HID Prox Reader Felica
Communication	BLE, TCP/IP, Wiegand, RS-485, RS-232, WiFi (Option)
USB OTG (On-The-Go)	O
Power	DC 12V & 24V
Dimension	79(W) × 152(H) × 18(D) mm

S/W Package
>> AccessManager Pro.

Item	Contents
Component	AccessServer / AccessManager / DBMS
Max. Accessing Terminal	2,000 EA
Max. Remote Client	16 (Access Manager)
OS	Windows XP or higher
Max. User	100,000 User (in the Server)
DBMS	MS SQL 2005 or higher, MS SQL Express 2005 or higher

Features

- **Bluetooth Support**
  - Compatible with BLE mobile key solution (imkey)

- **VoIP (Voice over IP)**
  - Voice call function

- **Built-in Camera**
  - User image acquisition for every transaction with storage in server

- **USB (OTG) Memory Slot**
  - Easy data transfer using USB memory stick
  - Firmware update

- **Face Detection**
  - Card, password or mobile key requires user picture before authentication

System Configuration

imkey - How it works?
